DECAVOIS 1965

We Dedicate

The 1965 Decanois to

Commodore Stephen Decatur

Stephen Decatur was born in Maryland on January 5, 1779. His mother liked to refer to him as a child of war because he had been born while his father was fighting in a naval battle, and she had been hiding from the British. Having distinguished himself in naval warfare during the War of Independence, Etienne Decatur, Stephen's father, was an American naval officer of high rank. Because his father was gone so much of the time, Stephen was raised by his mother and grandmother. From his father, Stephen inherited good looks, a French charm, and a love for the sea. After a childhood of illness, and against his mother's wishes, Stephen found himself a midshipman on one of his father's ships at 19.

The life of a midshipman was not an easy existence. Little better off than the crew, the midshipman acted as a "human telephone" to carry communications quickly and efficiently. The officers often baited him and teased him unmercifully. The quarters of a midshipman were cramped, uncomfortable, and badly lighted. Punishment for misdemeanors was severe. Flogging was the most favored punishment. The midshipman's wage was \$19 a month!

However, life on the ship was made bearable by comradeship among the sailors and the romance and adventure of sailing to such ports as Barbados, Martinique, and Saint Christopher. Certainly Stephen's first voyages introduced him to the horror and glory of his future life at sea.

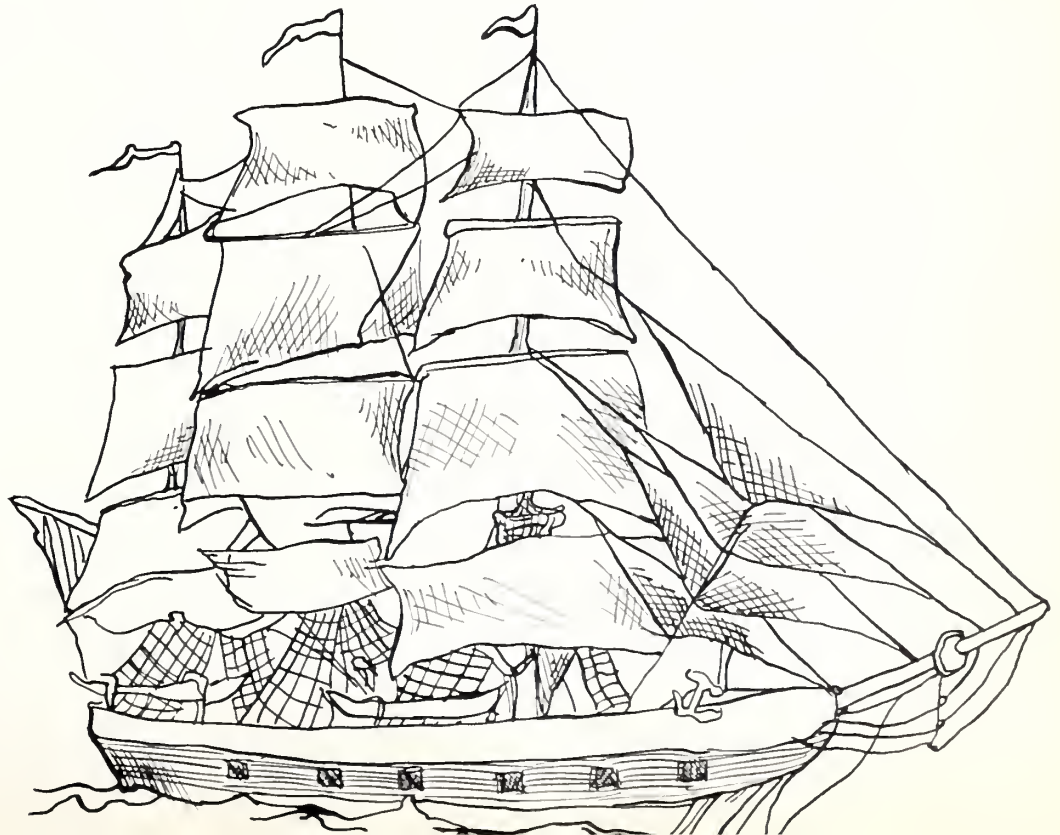

During one of the early voyages when Decatur was first lieutenant on the Essex, the ship became involved in naval warfare off the coast of Tripoli. Handling himself admirably during the fighting, Stephen attracted the attention of his superiors. A later engagement near Tripoli brought Stephen glory and sorrow. Decatur distinguished himself by boarding and burning the ship Philadelphia. But in the same battle, his brother was seriously wounded and later died. Because of this courageous and skillful act and previous displays of ability, Decatur was promoted to the rank of captain in 1804.

As captain, Stephen was known among his men as a sailor of courage, manliness, and love of independence. His superiors regarded him as a leader - "a man of boundless sway over his seamen at first sight." The men found it easy to obey and follow an officer who, denying any thought of his own importance or rank, jumped off the ship to save a mere midshipman who had fallen overboard and was drowning. The personality that was highly regarded by so many was doubtless shaped by his early voyage to Europe, his study at the University of Pennsylvania, and his early training under such men as his father and John Barry, captain of the United States. Such a man as Decatur was the youngest officer (25) to first be commissioned in the US Navy.

During his long naval career, Decatur fought in the War with France and the War of 1812. He commanded such ships as the President, the Constitution, the Congress, the Chesapeake, and the United States. In 1815 Decatur was ordered again to the Barbary Coast of Algiers to bring the Algerian pirates to terms. It was fitting that the man who had fought so well against these pirates at Tripoli should be the representative of the United States. When Decatur returned with a treaty favorable to the United States, the government was grateful to the boyish hero. At a celebration in his honor Decatur uttered these words in a toast that has become famous - "Our country: In her affairs with foreign nations, may she always be in the right, but our country, right or wrong!"

Such a man of courage and honor often must defend his honor. Decatur was involved in many affairs of honor which, according to the Code, had to be settled on the dueling field. A particular quarrel with a Commodore Barron forced Commodore Decatur to the fatal duel. In 1820 Stephen Decatur was shot to death in a duel five miles from the capital of his grateful and grieving country.

The great American John Quincy Adams said of Decatur: "He died between nine and ten o'clock this evening. The nation has lost in him one of its heroes - one who has illustrated its history and given grace and dignity to its character in the eyes of the world. He was warmhearted, cheerful, unassuming, friendly and hospitable, beloved in social life with a soul all devoted to his country."

Log Of S.S. Decanois

OUR VOYAGE BEGINS IN SEPTEMBER

Freshmen look to the upper classmen for guidance. (Some find it the hard way!)

September is the excitement of beginning a new school year.

Student pictures are taken for the yearbook.

Juniors and Freshmen spend a week taking SCAT tests.

Our first assembly of the year is centered around Mr. Tate and our football team.

OCTOBER

Automation reports our grades.

Juniors and Seniors look over bulletins and ask questions on College Day.

Homecoming 1964 proves a big success. We'll all remember the assembly, parade, game and dance.

November

November is Thanksgiving vacation, T.B. tests, and election activities.

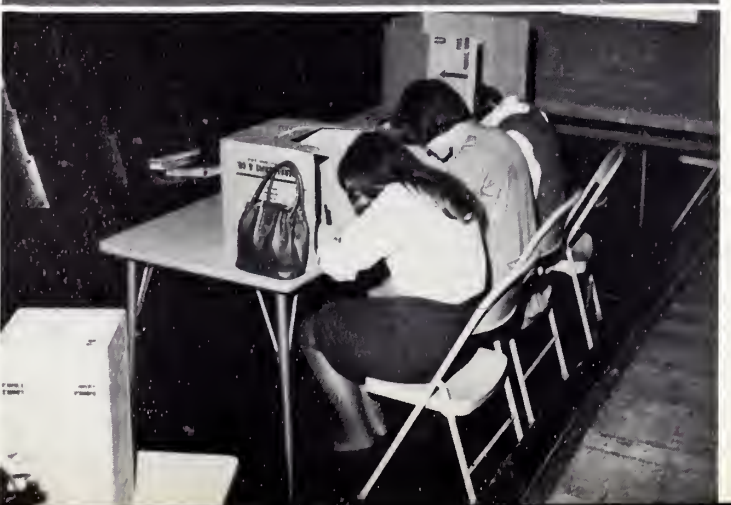

Students bravely lined up for T. B. tests.

Over Thanksgiving vacation, some had fun at the ice rink.

The national elections brought strong opinions and an interesting assembly with students speaking for their party. In our mock elections the Demoncrats won.

DECEMBER

December is singing Christmas carols and planning activities for the long holiday.

Faculty beat the students again this year, with the help of their peppy cheerleaders.

Santa listened doubtfully to a report of angelic behavior.

The band, choirs, and orchestra created a holiday mood at our annual Christmas assembly.

Everyone traveled by any means possible to the Holiday Basketball tournament at Centralia.

JANUARY

January is making New Year's Resolutions, Student Council elections, the City Round Robin Tournament, and semester exams.

Our New Year's Resolutions were kept about as long as it took us to write them.

Candidates for Student Council officers campaigned before the whole student body.

The frozen water pipes on the third floor burst, causing our south corridors to be wet and messy.

Semester exams meant studying late.

Stephen Decatur received two trophies during the Round Robin Tournament. Dave Scholz won the most valuable player trophy, while the Reds remained undefeated in city play.

FEBRUARY

February is the National Honor Society induction, the Senior Class play, the State Wrestling Tournament, and the excitement of Juniors getting class rings.

Three of our wrestlers went to State this year.

The National Honor Society inducted new members in an impressive ceremony.

Much preparation was put into the Senior Class play, "Tomorrow the World."

Juniors admired their shiny new class rings.

MARCH

March is "March Madness."

The mad race to be first in line began.

Red and White Day brought class competition, but everyone was behind the Reds.

A week of pep assemblies brought "cheers from around the world" for our Reds.

The prom steering committee meets to work out prom details.

APRIL

April is the spring carnival, Latin Week, and spring sports.

Funds for A.F.S. were collected through class competition and carnival booths.

The annual Roman banquet highlighted Latin Week.

Spring brought baseball, tennis, track, and golf.

MAY

May is the Junior-Senior Prom, Senior Class Day, the Senior Class picnic, and the signing of yearbooks.

After all the decorations were up, excitement awaited Jane Herman.

Seniors ate together on Senior Class Day.

The Senior picnic was one of the fun activities ending the class of '65's four memorable years.

The Decanois staff relaxed after all of its work was completed.

JUNE

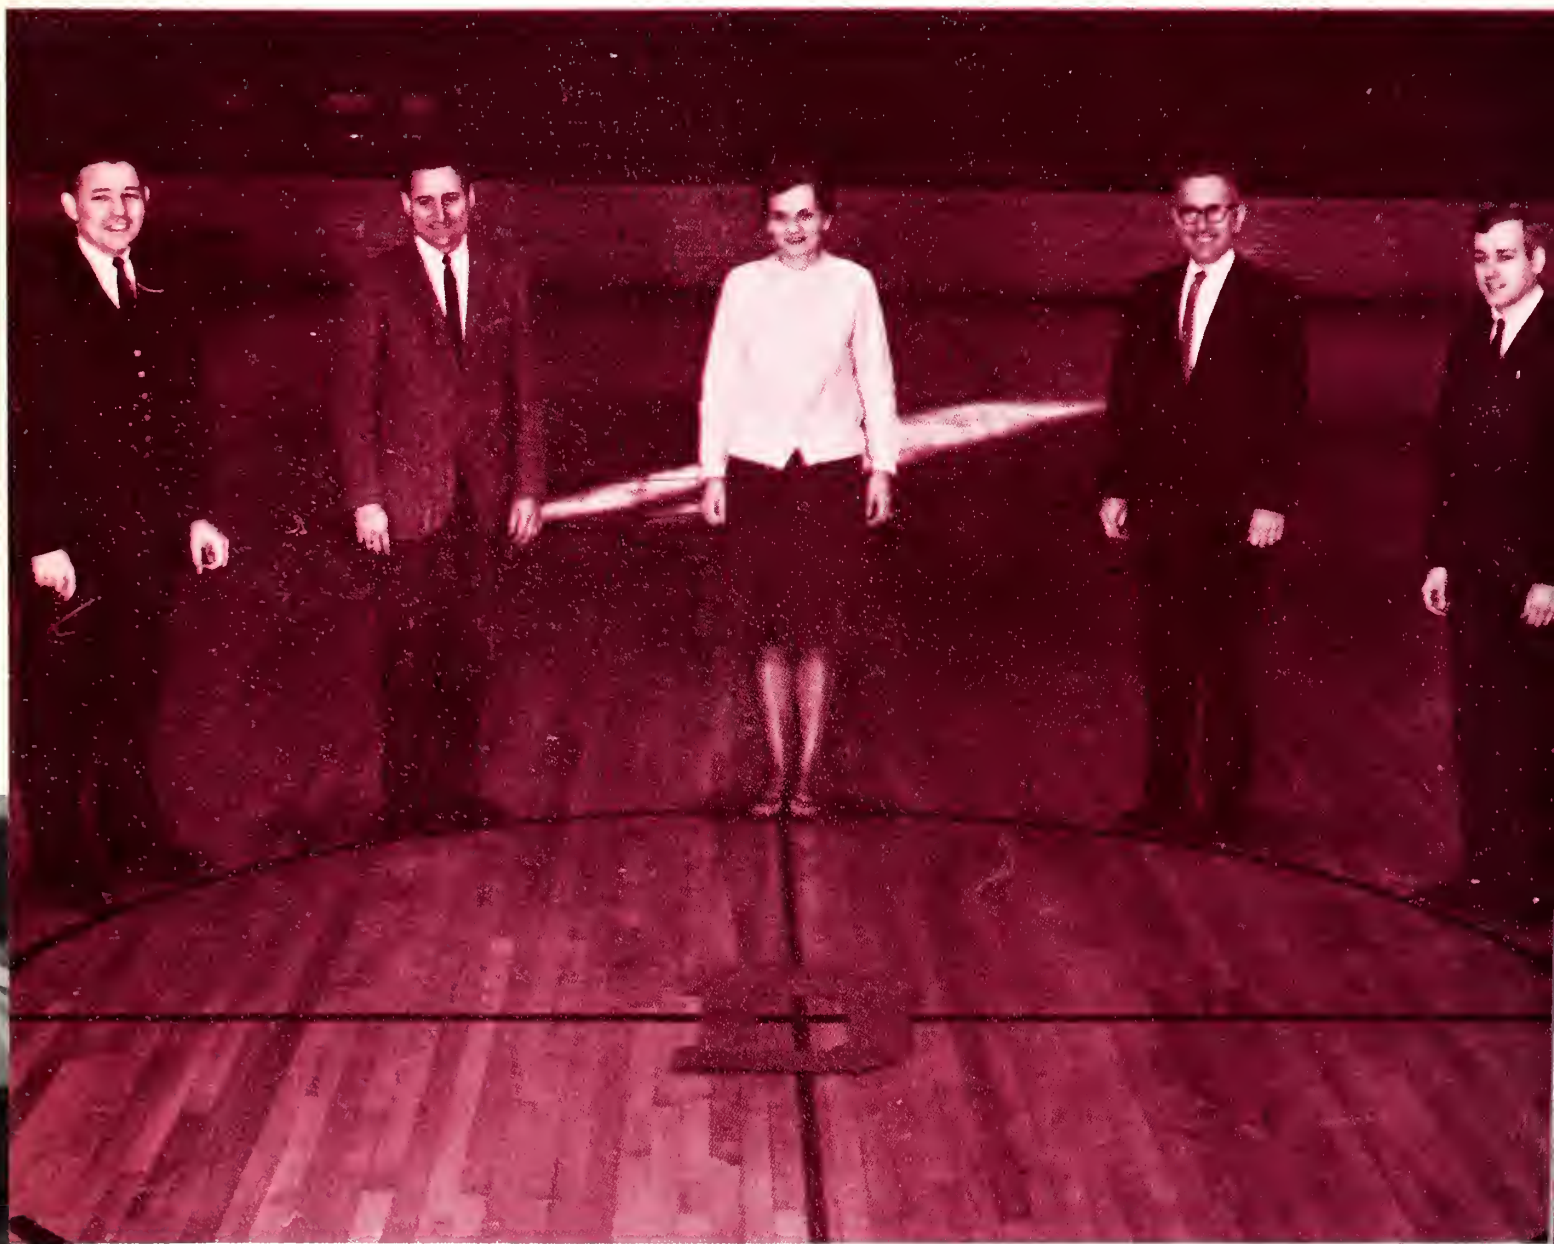

June is graduation and the beginning of summer vacation.

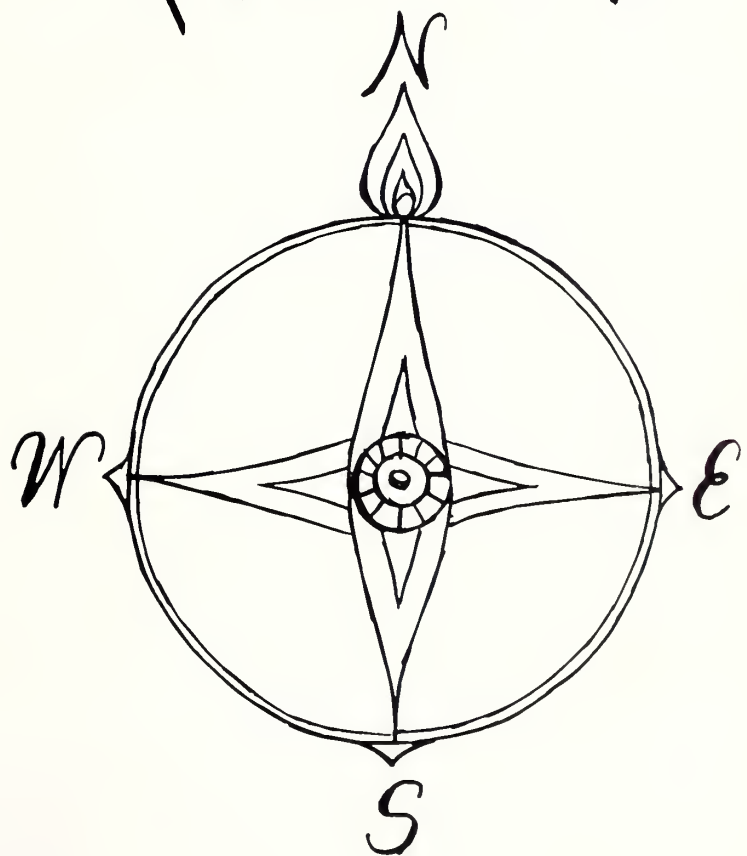

Graduation marks an end, but a beginning for Seniors.

The halls are deserted and the school is quiet until next September.

"Ah, parting is such sweet sorrow!"

These words we'd like to borrow

So as we leave S.D.H.S.

You know it's with regret and happiness.

How can we express our feelings on graduation?

Our hearts overflow with nostalgia and jubilation.

School days are now golden memories of yesteryear

And when reminiscing, we'll hold them 'ere so dear.

In our minds will be remembrances both sad and gay

Of thrilling basketball games, of Red and White day,

It's time to leave now, join the rank and file

As high school alumni, we bid farewell with a smile.

We have delved deep into those books of knowledge

We have prepared (we think) for all the trials of college.

We know much more today than from the two years past

We have become real Juniors: upper class, at last!

We walk through the halls in concentration,
 And we think of the years of anticipation.
 The years have matured us, this has been said,
 We have not strayed but grown loyal instead!

As this year fades to become our past,
 We will be Seniors, our title at last.
 This thought, however, leaves us a little blue
 For in one short year, S.D.H.S., we'll be leaving you.

We have gained a year of knowledge in our quest for learning
 To reach a goal of our own choosing is our heartfelt yearning.
 When we began this year of vital education.
 To be mistaken for Freshmen filled us with indignation.

We have looked back with smiles at our first awkward year
 When all the halls and rooms filled us with awesome fear
 Now that we know the ways of dear Decatur High
 We're glad to have two years to go before we say good-bye.

Next year will find us in that most coveted class
 And we shall all be known as upperclassmen, at long last.
 We shall feel our own importance, of this you can be sure-
 With such a group in the Junior class, anything can occur.

FRESHMAN CLASS OFFICERS

(pictures left to right) Bill Morgan, Vice-President; Van Constan, Treasurer; Ronald Brush, President; Robert Schwent, Sergeant-at-Arms. absent-Jill Deakins, Secretary; Dan Echart, Sergeant-at-Arms.

As Freshmen we entered these ivy halls
 Shy but determined, hearing familiar calls.
 With our hearts in our throats, we wandered around
 Locating classrooms as the bells sound.

After much anxiety and total frustration
 We settled down to months of deliberate meditation
 With complete surprise and unconcealed delight
 Our first semester ended, the second was in sight.

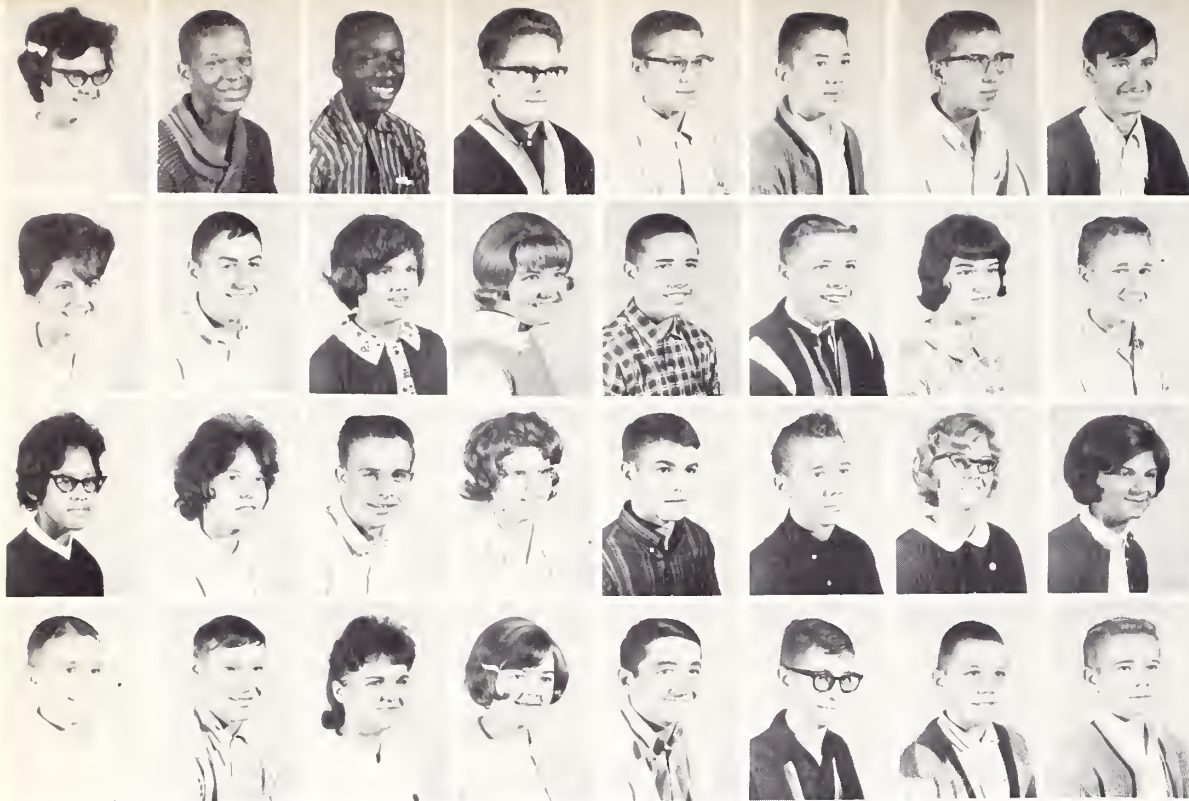

Now that our first year has come to an end,
 We don't feel too different from when we began.
 But as summer passes into memories of yore
 We shall return with eagerness as important Sophomores.

Observer Staff

Mr. Ronald Shafer
Advisor
Gretchen Greider
Editor-in-Chief
Ann Dickerson
Feature Editor

Our high school newspaper, the Observer, successfully published the highest number of issues this last year than it had published for the past several years.

One of the main objectives of the OBSERVER staff has been to promote interest in the school newspaper as well as in school activities and functions by printing stories that appeal to all SDHS students. The club activities, sports, and

students who have been honored in one way or another should be of interest to all students.

Students interested in writing for the OBSERVER should see Mr. Shafer in room 222. The requirements for joining the staff are: sophomore class standing, a "C" average in all academic subjects, an interest in writing stories, and the approval of the editor and Mr. Shafer.

CARMEN CASTILLO VASQUEZ

Carmen and Marcia stand before a map of Carmen's country.

Carmen Castillo Vasquez from Trujillo, Peru, is our American Field Service student. She lives with the Robert C. Boyd family of Route 8 this year. Carmen has two American sisters, Marcia, a Junior at S.D.H.S., and Nancy, a student at Woodrow Wilson.

American life presented quite a contrast to that which Carmen was

This is the countryside around Carmen's home.

accustomed to in her village. Her father works on the sugar plantation of which Casa Grande is the hub. As to the customs in her country, Carmen says, "We don't take siestas."

In preparation for her career as an obstetrician, Carmen has majored in biology and mathematics at a girls' school.

These are scenes of Carmen at her American home.

HANNELORE HORLBOG

Hanne and her sister Martha look at a map of Germany.

This is Hanne's family, her father, mother and brother Helmut.

This is a typical scene of one of the many castles near Koblenz.

Hannelore Horlbog is our exchange student from Koblenz, Germany. Hanne came to the United States as a part of the International Christian Youth Exchange. She is living with the I. Paul Ellis family at 936 West Tuttle. Her American family includes David, a senior at the University of Illinois, and Martha, a senior at S.D.H.S. At home she has one brother, Helmut, who is twenty years old.

Hanne attended a boarding school in Germany. She finds school in the United States quite different. Hanne enjoys our school very much, particularly the extra-curricular activities. She especially likes our football and basketball games. When Hanne finishes school in Germany, she plans to become an interpreter.

Hanne feels that she will remember this as the most wonderful and enriching year of her life.

LATIN CLUB

The Latin Club is composed of any students taking Latin who wish to be members, and any students who have previously taken Latin and wish to continue their membership. The club sponsors such things as bake sales, slides, and other activities throughout the year. The main project in the fall is the Latin Club float for the Homecoming parade. The high point of the year comes in the spring when the annual Latin Week and Roman Banquet are held.

GERMAN CLUB

The German Club is made up of eighty members out of eight German classes. Club funds buy popular music records, magazines and books. It is the hope of the club that these extra materials will help promote a more interesting course of study of German customs..

Events highlighting this year's activities included the building of a homecoming float, an Oktoberfest--a picnic, a Faschingsball--a costume dance, participation in the spring Carnival, and another picnic in the spring. German students also participated in the annual national competitive exams. High scoring students received awards purchased by the club on Honors Day.

FRENCH CLUB

The French Club of Stephen Decatur High School is made up of students interested in bettering their understanding of the French people and their language. The meetings are conducted in French. Members participate in various school activities throughout the year, such as the homecoming parade and the carnival. The club also subscribes to French magazines and newspapers. The French Club gives students a chance to get better acquainted with their classmates and adds some spice to the study of the language.

Homecoming 1964 was a weekend long remembered by all. Under the leadership of capable chairmen all events were successful. The assembly on Wednesday, highlighted by the crowning of our 1964 Homecoming Queen, Miss Carolyn Ashcraft, was filled with excellent acts. The parade on Friday showed much hard work as all of the floats and cars were beautifully decorated. A victory that night over Danville kept everyone in a festive mood for the dance the next night. Homecoming 1964 ended with the dance, but the happy memories linger yet.

Homecoming Assembly winners: Paul McCreary and Dave Sanner.

On Saturday, February 27, 1965, the Senior class presented "Tomorrow the World" by James Gow and Arnaud d'Usseau. The story of the play centered around Emil Bructner, a German orphan who came to live in America with the family of Professor Michael Frame. Emil, who had been brought up under the influence of the Nazis, found

great difficulty in understanding and accepting American life. As he finally comes to understand the Frames, and to be understood by them, one realizes that the understanding will grow such that he will forget the Nazi influence and be happy with the American way of life.

COACHES AND MANAGERS

Our Reds started the season with victories. After our first two games it looked as if we were going to have another winning season here at Stephen Decatur. The Reds strength was again solid, both on the front line and in our speedy backfield. After the injury to Bobby Warnsley, Mr. Tate had to rely on Mike Smethers for those all important steady gains. Our quick halfback brought the sudden explosive power needed to win close games.

Bobby Warnsley

Bobby looked as if he were out to break all the records set last year by the remarkable Butch Smith. Bobby paced our Reds to victory in our opener over "Mac" and in the following game against St. Teresa he scored five touchdowns. Then disaster struck and Bobby was injured in the Springfield game and his wonderful talent here at Stephen Decatur was abruptly ended.

Jim Geissler

Like Bob Warnsley, Jim was injured in the Springfield game and was out for the rest of the season with a concussion. Jim served as our first string center and fulfilled his duties on the offensive and defensive teams thoroughly.

SOPHOMORE FOOTBALL

Mr. Simons, Dave Simcox, Mr. Dixon

This year our experienced sophomores continued to add to their victories that they achieved last year. The powerful back-field began to show signs of improvement and added their depth to an already strong team. We hope to see many of these boys on the varsity team next year to rebuild it after graduation this year.

FRESHMAN FOOTBALL

Mr. Handley, Kevin Martin, Mr. Owens

This year at Stephen Decatur we produced a highly successful freshman football team. The Reds managed to bring home seven victories and only one defeat. The excellent season was made possible by a brick wall defense and a quick backfield. This team should provide Mr. Tate with many fine varsity players.

VARSITY WRESTLING

FRESHMAN-SOPHOMORE WRESTLING

Mr. T. Simons, coach; Jim Cooper, manager.

Winter sports were outstanding in every department this year, but the wrestlers added a special lustre to our successes. A superb record of 10 wins and 2 losses topped off a remarkable team effort.

Aaron Holloway and Ben Cooper won what every prep wrestler sets his goals for: the title of state champion wrestler.

Stephen Decatur hasn't been known for its matmen until the 1963-1964 season. During that season the matmen

Mr. Handley, coach; (Dave Lyons, manager-not pictured)

of Stephen Decatur compiled a ten and two record. They also equaled this record this season under the coaching of Mr. Terry Simons. Aaron has remained undefeated in 25 bouts, and Ben has earned a 24 and 1 record.

Also, Stephen Decatur's Al Hines went to the state meet. Al won his first bout, but unfortunately, he was eliminated from competition.

Here's our congratulations to these three boys for their fine performances this year.

Mr. Jack Kenny, Coach, and Mike Sampson, Manager.

Mr. Jack Kenny, our very capable basketball coach, has done it again. For the second straight year as head coach, he has produced a championship team. In the two previous seasons as assistant coach, he helped to bring about two other fine basketball teams. This season our Reds compiled an outstanding record of 29-3.

Led by their forwards, Gordon Powell, Mike Smethers, and Bob Warnsley, with Dave Scholz at center, the Reds retained their title of "Rebounding Reds." Bob Warnsley demonstrated tremendous rebounding

ability as he often outjumped his taller opponents.

Our front line, led by big Dave Scholz, the Reds' top scorer, gave us many points. We also received fine out-court shooting from Jack Moore, Rich Smith, and Terry Johnson to complete our offensive effort.

With the fighting spirit of Stephen Decatur as a guide, our "Running Reds" have succeeded in their efforts for the past four years. We wish them many more years of triumph, both in basketball and in sportsmanship. Good luck, Reds!

TOURNAMENT TEN

Row 1 - Gordon Powell, Larry Beasley, Bob Warnsley, Dave Scholz, Mike Smethers. Row 2 - Mr. Prichard, Don Roberts, Terry Johnson, Rich Smith, Jack Moore, Larry Downs, and Coach Jack Kenny.

The Reds once again proved themselves to be real champions as they swept through the regional and sectional with final margins of more than ten points in all but the regional final against Eisenhower, where the margin was still a handsome eight points. They marooned the Vikings for the third time in a real thriller in the super-sectional to earn a fourth straight trip to Champaign, only to fall before a hot Quincy team in the quarter finals. With us, however, they still rate best in the state.

Our excellent sophomore basketball players, fired by six quick regulars, led the team to a sparkling record of 14 wins and 7 losses. The team included great depth and should supply Mr. Kenny with many valuable ball-handlers for his varsity team.

Two outstanding rebounders, Don Roberts and Denny Hippe, were justifiably promoted to the varsity squad after they inspired the sophomores to splendid heights. Congratulations to all these boys for their top-notch playing.

This year the Freshman class was represented by many fine and talented basketball players. Sparked by a lot of hustle and desire, they worked for a respectable 10-6 win-loss record. These fifteen fighting

freshmen should be able to continue our predominance in city basketball playing. We hope to see all these boys on the Sophomore team next year and we wish them luck in compiling as good a record as they did this year.
